

“The role of Local and Regional authorities in promoting Green Economy and Green Jobs”

3rd AWARENESS SEMINAR

Rome, 10 December 2015

Centro Documentazione e Studi dei Comuni Italiani, Via dei Prefetti 46

How can local and regional authorities help to promote Green Economy and the development of Green Jobs?

The seminar aims to answer to this question, by presenting real experiences used in Italy and in the Mediterranean Area, and questioning the municipalities on their role in defining actions and policies to promote innovation and sustainability.

09:30 -13:00 Morning session
